I would like to apply for the Residence option selected below:

- 2-day/week residence option at \$160/month
- 7-day/week full-time residence option at \$560/month

Do you have any specific allergies or disabilities that may affect your residence requirements?

## Residence Guidelines

In order to ensure a great experience for both Interns and host family, we expect everyone to show respect for privacy, personal space and time, and to follow these guidelines.

## Board Fees

Residence board fees will cover food costs and are payable on the first of every month to the host family (*please do not be late with payment*).

Breakfast and lunch food will be provided on a self-serve basis; host family will provide supper.

## Transportation

Interns are responsible for all transportation to and from classes and ministry venues (host family may provide morning rides on certain days as schedule permits). Please budget for bus pass money where needed.

## Household Responsibilities

Chores:

- Weekly cleaning of assigned area of house
- Clearing and washing dishes
- Cleaning up kitchen prep items

Cleanliness:

- Bedrooms are to be kept tidy with beds made daily
- Towels & sheets are to be laundered on a weekly basis
- Bathrooms must be left clean and free of clutter
- Garbage in bathroom and bedroom are to be emptied on weekly basis

Towels and bedding are provided but Interns may bring their own if desired.

I agree that I will abide by these guidelines and recognize that failure to do so may result in the Residence option no longer being available to me.
